GUIDE TO INDEX

The index of the volumes of 'Young India' is divided into three categories, namely,

(1) Index : Authors—Titles—Subjects

(2) Index : Subjects—Titles—Authors, and

(3) Index : Title—Author.

Volumes I and II of 'Young India' do not have consecutive page numbers. The entries of the articles of these volumes indicate volume numbers in Roman script, and issue and page numbers (with respective dates, wherever necessary).

Besides regular articles, quite a good number of Supplements have also been included. In the case of such Supplements reference is to page numbers of regular articles preceding respective Supplements.

(1) Index : Authors—Titles—Subjects

This Index contains:

(a) The names of authors in underlined CAPITAL LETTERS;

(b) the titles of articles in SMALL CAPS;

(c) the subject-matter in upper and lower case types; and

(d) the volume and page numbers in Roman and international numerals.

(2) Index : Subjects — Titles — Authors

This Index contains :

(a) The subject-matter in underlined CAPITAL LETTERS;

(b) the titles of artilcles in SMALL CAPS;

(c) the names of authors in *Italicized* types; and

(d) volume and page numbers in Roman and international numerals.

(3) Index : Title — Author

This Index contains :

(a) The titles in SMALL CAPS;

(b) the names of authors in *Italicized* types; and

(c) volume and page numbers in Roman and international numerals, respectively.
